

Initial Build Review Notes

11/16

designer: Hyunseo Roh

director: Niansong Zhang

- Homepage looks very well!
- Try to change the position of the text annotation next to the image, you can enlarge the font or change the position.
- The whole page is very clear and the pictures are well chosen
- Color palette is awesome
- Add a footprint and it can be the same color as the search box, and also can change into other colors.
- Finish the other pages
